## **TALELE BRIDGE ON BAULEVU ROAD TO BE CLOSED FOR NIGHT MAINTENANCE ON WEDNESDAY 11<sup>TH</sup> JANUARY**

**11 JANUARY 2017**

Fiji Roads Authority confirms that the Talele Bridge on Baulevu Road will undergo maintenance resulting in the temporary closure of the bridge at night on Wednesday 11<sup>th</sup> January.

FRA's contractor will begin work at 8pm tonight and the Talele Bridge will reopen at 4am tomorrow morning.

Bridge closure signs have been posted in advance of the closure period to advise motorists in the area.

As a result, communities living along Baulevu Road beyond the Ram Sami Poultry farm and onwards to Baulevu landing including the villages of Naganivatu, Nakini, Natoaika and Deladamanu are requested to plan their travel accordingly as access is prohibited across the bridge during this period.

Members of the public can contact Fiji Roads Authority on 5720 with their queries.
