MAINTENANCE WORKS ON WAINIBAU BRIDGE AT BAULEVU ROAD IN NAUSORI

13 February 2017

Planned maintenance work on Wainibau Bridge at Baulevu Road in Nausori is scheduled for Thursday (16/02/17).

The Bridge will be closed from 8pm, Thursday 16th February and will re-open at 4am on Friday 17th February.

Fiji Roads Authority Chief Executive Officer John Hutchinson says the public advisory signs have been placed on site for the past week as there will be no detours posted during maintenance works.

“This is a planned closure that will allow our contractors Fulton Hogan Hiways with its sub-contractors Instant Construction to carry out maintenance works.”

He said works will include replacing damaged transverse planks, replacing damaged running boards and replacing missing wheel guards.

“Once the maintenance work is completed the residents of Wainibau can expect to travel on an improved and safer bridge.”

“The FRA wishes to apologise for the short term inconvenience.”
