## QUEENS ROAD NEAR BAVU VILLAGE REDUCED TO SINGLE LANE

**11 June 2018**

**For Immediate Release**

Fiji Roads Authority (FRA) would like to advise members of the public that a section of Queens Road near Bavu Village has been reduced to a single lane due to a sink hole.

The location of the sink hole is:

- Near Bavu Village along Queens Road between Lomawai Road (leads to Momi Bay) and Bavu Road (road leads to Bavu Village).
- It is approx. 20.57km from Nadi Town (Temple Roundabout), if travelling towards Suva from Nadi.

For the safety of the travelling public, we have reduced traffic to a single lane. FRA engineers and contractors are currently on site managing traffic.

Road users are requested to be aware of the temporary lane restriction, adhere to the Traffic Management set up around the site and drive to the conditions.
