HIGGINS FIJI AND DAYALS QUARRIES IS THE NEW CONTRACTOR FOR S3 PROJECT

The Fiji Roads Authority has appointed two contractors, Higgins Fiji and Dayals Quarries, to complete remaining work on the recently terminated contract on Kings Road, Suva, between Rewa Bridge and 9-Miles.

Confirming this, the Fiji Roads Authority (FRA) Chief Executive Officer Jonathan Moore says both the contractors have worked with them on a number of projects and has done exceptional quality of work.

This is one of the crucial projects of the FRA to improve traffic flow and we have full faith in both the contractors to get the job done.

Work on the project is set to get underway from 22 October and is anticipated to be completed by June 2019.
