

PUBLIC ADVISORY

ROAD WORKS COMMENCES ON KINGS ROAD FROM NAKASI – NAUSORI

Fiji Roads Authority (FRA) would like to advise members of the public that we will be carrying out Underground 900 diameter Culvert Crossing Construction on Kings Road from Nakasi to Nausori.

As a consequence, the main highway from Nakasi to Nausori near the Agriculture Fiji Veterinary and Pathology Laboratory Department will be affected on:

Days	Affected Hours
Saturday 1 st December - Sunday 2 nd December 2018	9.00pm Saturday night through to 5.30pm Sunday afternoon

During this time, the following traffic diversion will be applicable to suit the site conditions:

1. Diversion of both Traffic Lanes (Suva bound and Nausori bound) on to the newly stabilized area near the Agriculture Fiji Veterinary and Pathology Laboratory Department.
2. Stop and Go traffic control will be applied as when required throughout the duration of the works with any disruptions minimized to avoid delays.
3. Lighting will be in place for clear guidance to passage of vehicles through the work zone.

Members of the public are reminded to always strictly adhere to the traffic management and guidance of the Traffic Controller's directions for smooth passage through the site and to ensure the safety of other motorists and workmen alike.

Travelers along this area are advised to take this notice into account when finalizing travel plans. We apologize for any inconvenience. **For further queries please call the FRA on 5720.**
