## FOOTPATH UPGRADING WORKS- NAITAVO LANE, NADI TOWN

Fiji Roads Authority would like to advise members of the public that our contractors will be commencing night works on Naitavo Lane, Nadi Town for footpath upgrading works. This programme is aimed at improving pedestrian access and safety.

**Works will commence from 7.30pm till 5.30am daily from Wednesday 22<sup>nd</sup> May to Monday, 27<sup>th</sup> May.**

Driveway will be reconstructed as part of the footpath upgrading works in Nadi CBD.

All works will be carried out at night due to the heavy traffic volume during the day. Since this is a back lane, other main streets can be used to cross the town.

Two-way access into Naitavo lane shall be provided for delivery trucks and other shop owners as the driveway at the Naitavo Lane and Clay street intersection shall be closed only for all motorist and pedestrians.

Safety is paramount and the general public is strongly advised to stay alert and stay clear from the construction site.

We apologise for the expected inconvenience. For further queries please call FRA on 5720.

**Jonathan Moore**

**Chief Executive Officer**
