

PUBLIC ADVISORY

WAILASE ROAD IN NAITASIRI TO BE TEMPORARILY CLOSED

Fiji Roads Authority (FRA) would like to advise members of the public that the Wailase Road in Naitasiri will be temporarily closed from 9am, Saturday 8th June.

This road closure is to enable the FRA contractor to carry out the necessary twin-culvert replacement works. A clearly signposted traffic detour through Savu Road will be in place from 9am Saturday 8th June through until 5pm Wednesday 12th June.

The works involves major excavation to expose the old culvert pipes, remove and replace with new concrete culvert pipes. This is then followed by reconstructing the road by major infilling and proper compaction of the material before placing new gravel pavement for the traffic.

The public are reminded to plan their travel arrangements to allow for the additional distance required to use the detour route and drive to the conditions at all times.

We regret the inconvenience caused. **For further queries please call the FRA on 5720.**
