

PUBLIC ADVISORY

ROAD WORKS IN NAVUA, MOTORISTS ADVISED TO ALLOW EXTRA TRAVEL TIME

Fiji Roads Authority (FRA) will be carrying out road reseals programme on Queens Road in Navua from Monday, 23rd September to Friday, 4th October.

As a consequence, the road will be reduced to a single lane on weekdays from 9am to 3pm and on Saturdays from 8pm to 4pm daily to allow for roadworks.

A full traffic management will be present on site to guide motorists safely through the site. Travelers along the area are advised to expect delays and to take the notice into account when finalising travel plans. We apologise for any inconvenience.

This project is part of the Road Reseals Programme for the Western, Central and Northern Division. **For further queries please call the FRA on 5720.**
