PUBLIC ADVISORY

NIGHT WORKS PLANNED ON VULOVI BRIDGE IN LABASA

Fiji Roads Authority (FRA) wishes to advise member of the public that our contractors will be working on Vulovi Bridge on Wainikoro Road in Labasa from 7pm, Saturday 19th October to 4am, Sunday 20th October.

As a consequence, the road will be reduced to a single lane to complete the Mapei grouting works on the upstream end of the bridge.

A full traffic management plan and traffic control for the inbound lane to Labasa Town will be provided for the first 24hours upon completion and we plan to fully open the road by 4am, 21st October.

Members of the public are requested to strictly adhere to the traffic management signage in place to ensure the safety of other motorists and workmen alike.

Travelers along this area are advised to take this notice into account when finalising travel plans. We apologise for any inconvenience. **For further queries please call the FRA on 5720.**
