## COLASI BRIDGE TO REMAIN CLOSED TILL 24 NOVEMBER

Fiji Roads Authority (FRA) wishes to advise members of the public that Colasi Bridge on Saju Road in Rakiraki will be further closed till 24 November 2019.

Initial works carried out on 2 November were routine maintenance works involving replacement of damaged runners and decking timber. Upon the removal of the existing decking, it was determined that the steel beams also required strengthening works. The strengthening works will be executed in the next 10 days and the bridge is planned for reopening on 24 November 2019. Public are advised to use detour route via Colasi Mandir Road to access Rakiraki Access Road.
