

Fiji Roads Authority

REQUEST FOR TENDER

FRA 19/17 Upgrade and New Installation of Traffic Signals (Re-Advertised)

The Fiji Roads Authority (FRA) now invites tenders for the Upgrade and New Installation of Traffic Signals within the Fiji Roads Authority's network on Viti Levu and Vanua Levu, Fiji.

The FRA has structured the work to include upgrading of existing signalised intersections & mid-block crossings and also signalling un-signalised intersections & pedestrian crossings, across the identified 19 Sites.

Refer to the Principals Requirements for full details of the scope of works which can be downloaded from FRA Tenderlink Website www.tenderlink.com/fijiroads/

For Queries: Phone: +679 310 0114, Fax 3100 044
 Email: procurement@fijiroads.org
 Web site: www.fijiroads.org

Hard Copy of Tender Submission should be placed in FRA Tender Box which is located at:

**FRA HEAD OFFICE
Level 4, Fiji Development Bank Building
360 Victoria Parade
Suva – FIJI**

Alternatively, tenders can be submitted via FRA tenderlink.

Tenders shall be lodged in the manner and at the place defined in the RFT and close at **2.00 pm Fiji time on Thursday 20th June 2019.**
