Fiji Roads Authority

PUBLIC ADVISORY

TRAFFIC LIGHTS AT RB JETPOINT INTERSECTION TEMPORARILY OUT OF COMMISSION

Fiji Roads Authority (FRA) would like to advise members of the public that the RB Jetpoint intersection traffic lights in Martintar, Nadi are temporarily out of commission.

This was after the lamp control module needed an immediate replacement.

The contractors are working on getting a replacement board at the earliest and normal operation should be established within the next seven days.

The traffic lights will be flashing amber during this period and the intersection will be controlled by traffic police marshals during peak hours.

Motorists are advised to be courteous, respect the speed limit and obey all traffic directions.
