ROAD WORKS TO COMMENCE IN NAUSORI TOWN FROM TOMORROW NIGHT

Fiji Roads Authority (FRA) would like to advise members of the public that we will commence with roadworks on the severely deteriorated sections of roads in Nausori Town from 8pm tomorrow night- Friday, 6th November.

Works will begin on Gulab Nabi Road, subject to weather. The majority of the work will be carried out at night, including curfew hours, however some work will be carried out during the day. All works will be sequential such that no open section of road is untrafficable during peak hours.

Please slow down as indicated by the temporary traffic signs, follow the instructions of the site traffic personnel, and pay attention while driving along the construction sites.
