Fiji Roads Authority

Re: Situation Report No. 01 as at 0900 Hours – Saturday 30th January 2021

This situation report is to advise of the status of FRA's assets:

- Kings Road before Matawailevu Junction in Ra is reduced to a single lane due to an under slip.
- Kings Road is closed past Nabulini (towards Rakiraki), Wainibuku due to a landslide. Our contractor is mobilizing to site.
- If the roadway is flooded, please take alternative routes where possible. We are strongly urging the public not to go near flood water whether in a car or on foot.
- Be aware of the possibility of rock falls, landslides and debris on the roadway amidst heavy rain.
- Several roads are currently affected due to surface flooding caused by the heavy rain. Please keep a safe following distance, avoid speeding and drive with extra care, especially when driving on unsealed roads.
- We are urging the public to please take all the necessary precautions and adhere to the advisories from relevant authorities.
- Members of the public can also contact the FRA on toll free number 5720 or email info@fijiroads.org
