LOMALOMA JETTY CLOSED TO VEHICULAR TRAFFIC AND BERTHING OF COMMERCIAL BOATS UNTIL FURTHER NOTICE

Fiji Roads Authority (FRA) would like to advise members of the public that the Lomaloma Jetty in Vanuabalavu is closed to vehicular traffic and berthing of commercial boats until further notice.

This is due to the unanticipated movement of jetty head observed yesterday 20 July 2021. The FRA Engineers will be travelling to the island to ascertain the serviceability of the jetty and assess the extent of any damage.

In the meantime, the jetty can only be used by small boats and foot traffic.
