Fiji Roads Authority

PUBLIC ADVISORY

TRAFFIC SIGNAL CONTROLLER UPGRADE – PRINCESS ROAD/ RATU MARA INTERSECTION

Fiji Roads Authority (FRA) will be carrying out Traffic Signal Controller upgrade works at the intersection of Princes Road and Ratu Mara Road, FNU Samabula. During this time, traffic signal will be shut down for two days, Saturday 30 April and Sunday 01 May 2022.

Temporary traffic management will be deployed on site, with appropriate signages to assist motorist to maneuver safely through the intersection.

Motorists and pedestrians are requested to exercise caution and to follow the traffic management employed on site. For further queries, please call the FRA on 5720.
