PUBLIC ADVISORY

TRAFFIC SIGNAL SAFETY MAINTENANCE NADI INTERNATIONAL AIRPORT, NADI

Fiji Roads Authority (FRA) wishes to advise members of the public that there will be safety maintenance work carried out on the traffic signals located along Queens Road at the Nadi International Airport intersection on Wednesday 30th of November 2022 from 9 am to 6 pm. During this period, the traffic signals will be temporarily turned off.

Temporary traffic management, including temporary roundabouts and manual traffic control, will be deployed for the duration of each outage.

Motorists and pedestrians are requested to exercise caution, be courteous, and to follow the traffic management employed on site.

For further queries please call FRA on 5720.

Kamal Prasad

Chief Executive Officer

Traffic Signal Maintenance – Nadi International Airport Intersection
