NAMAQUMAQUA CULVERT REPLACEMENT WORKS PLANNED FOR SUNDAY 14 APRIL

04 April 2024

Fiji Roads Authority (FRA) would like to advise members of the public, especially those living in Namaqumaqua Village, that there will be culvert extension works taking place on Namaqumaqua Road, Navua next weekend, Sunday 14th April 2024.

As a consequence, the road will be closed from 9 am to 3 pm.

During this period, public transportation services, including bus services and hotel transports, will cease operations along this route. However, they will be allowed to continue their services up to the section of the road that is unaffected by the roadwork.

We kindly advise those affected to please make necessary arrangements for alternative transportation from the village to the section of the road where the road workers will be present to guide them.

Members of the public traveling along this area should take this notice into account when finalizing travel plans.

FRA wishes to apologize for the short-term inconvenience. If you have any inquiries or require additional information, please feel free to contact us on our toll-free number 5720 (weekdays 8 am to 5 pm) or via email at info@fijiroads.org.
