SECTION OF FOSTER ROAD TO BE CLOSED FOR SEALING WORKS

Fiji Roads Authority (FRA) would like to advise members of the public that the section of Foster Road from Walu Bay roundabout to Matua Street will be closed from Thursday, 20th April to Sunday, 30th April 2023 for sealing works.

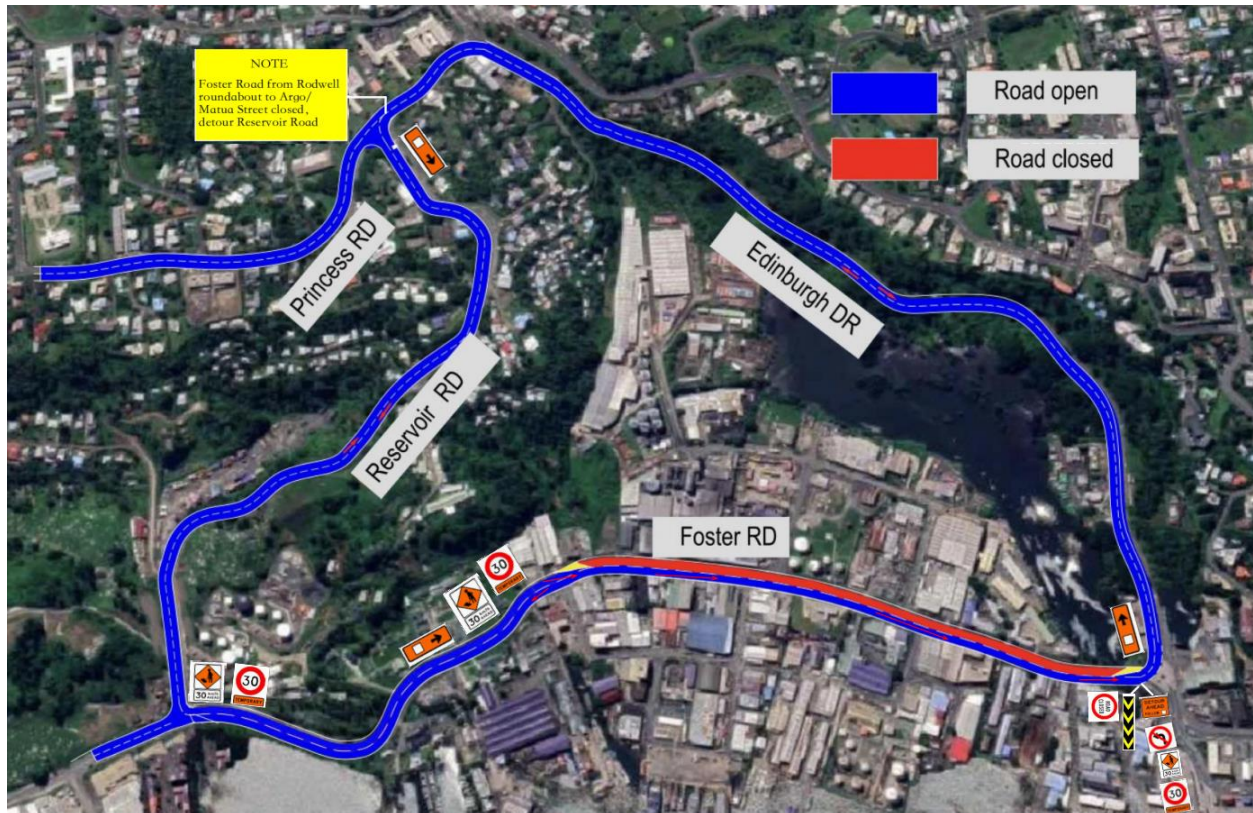

Access to Foster Road and the connecting roads will be from the Reservoir Road roundabout only. All other traffic between Suva and Lami will have to use Edinburgh Drive, Princes Road, and Reservoir Road to commute between the two destinations.

Works will include spraying and spreading of membrane layer and asphaltic concrete sealing. Members of the public are requested to plan their travel accordingly and to follow the directions of the flagman and the site traffic controls to ensure the safety of the other motorists and workmen alike.
