Fiji Roads Authority

PRESS RELEASE

23 July 2024

SUPPLIER'S DELAY OF BITUMEN TO AFFECT ROAD WORKS

The Fiji Roads Authority (FRA), would like to advice members of the public that due to the delays from the bitumen supplier, the delivery of road pavement maintenance and upgrading programs will be affected.

In light of the above, FRA is using alternative materials for sealed road maintenance works.

We kindly request members of the public to be cautious at all times and apologize for inconvenience caused during this period.
